INDEPENDENT AUDITORS' REPORT

To the Board of Directors of
Ian Somerhalder Foundation

We have audited the accompanying financial statements of Ian Somerhalder Foundation (the Foundation) which comprise the statements of financial position as of December 31, 2014 and 2013, and the related statements of activities and changes in net assets, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Foundation as of December 31, 2014 and 2013, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

The accompanying notes are an integral part of these financial statements.

IAN SOMERHALDER FOUNDATION

NOTES TO THE FINANCIAL STATEMENTS DECEMBER 31, 2014 AND 2013

NOTE 1 – Nature of Organization

Ian Somerhalder Foundation (the Foundation) was established in November 2010 as a California nonprofit corporation. The purpose of the Foundation is to advance science; promote the conservation of natural resources, such as forests, lands, and wildlife, for the benefit of the entire community; provide relief to the poor, distressed, and underprivileged; and support other organizations conducting activities under Section 501(c)(3) of the Internal Revenue Code. The Foundation aims to empower, educate, and collaborate with people and projects to positively impact the planet and its creatures by providing programs and services, conducting fundraising events and providing financial disbursements to other tax-exempt organizations whose ultimate purposes are to conserve the environment and protect animals.

NOTE 2 – Summary of Significant Accounting Policies

The financial statements of the Ian Somerhalder Foundation (the Foundation) have been prepared on the accrual basis in accordance with principles generally accepted in the United States of America. The following significant accounting policies are described below to enhance the usefulness of the financial statements to the reader.

Financial Statement Presentation

Under Accounting Standards Codification (ASC) 958-205, *Presentation of Financial Statements*, the Foundation is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted, temporarily restricted, and permanently restricted. As of December 31, 2014 and 2013, the Foundation had no temporarily or permanently restricted net assets.

Unrestricted Net Assets – Net assets that are not subject to donor-imposed restrictions.

Temporarily Restricted Net Assets – Net assets subject to donor-imposed stipulations that may or will be met by actions of the Foundation or the passage of time. As the restrictions are satisfied, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the accompanying statements of activities as net assets released from restrictions.

IAN SOMERHALDER FOUNDATION

**NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2014 AND 2013**

NOTE 2 – Summary of Significant Accounting Policies (Continued)

Permanently Restricted Net Assets – Net assets subject to donor-imposed restrictions that the corpus be invested in perpetuity and only the income be made available for program operations in accordance with donor restrictions. Such income generally includes interest, dividends, and realized and unrealized earnings from the corpus.

Use of Estimates and Assumptions

Management uses estimates and assumptions in preparing financial statements in accordance with accounting principles generally accepted in the United States of America. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses. Actual results could vary from the estimates that were assumed in preparing the financial statements.

Revenue and Support

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support depending on the existence and nature of any donor restrictions. Contributions are recognized as support in the period received or pledged.

During the year ended December 31, 2014, the Foundation contracted with a third party to conduct a fundraising campaign on behalf of the Foundation. Campaign contributions are recorded in the period received by the fundraising agent. Promotional costs and professional fundraising expenses relating to the campaign are recorded within fundraising expenses on the accompanying statement of activities.

Noncash Contributions

A substantial number of volunteers make significant contributions of their time in the furtherance of the Foundation's purpose. The value of this contributed time is not reflected in the accompanying financial statements, as they do not meet the recognition criteria for contributed services.

IAN SOMERHALDER FOUNDATION

**NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2014 AND 2013**

NOTE 2 – Summary of Significant Accounting Policies (Continued)

Cash and Equivalents

The Foundation considers cash equivalents to be all highly liquid debt instruments purchased with an initial maturity of three months or less. Cash and equivalents includes cash deposits with a bank and a treasury note.

Accounts Receivable

Accounts receivable consists of contributions collected by the Foundation's contracted fundraising agent, but not yet remitted to the Foundation, and are reported at the net amount expected to be received after considering related campaign expenses incurred by the fundraising agent. Management believes accounts receivable are collectible in full and, therefore, no allowance for doubtful collections has been established at December 31, 2014. Accounts receivable are expected to be collected during 2015.

Land

Land is carried at cost and is not depreciated. Land is evaluated for impairment indicators which suggest the carrying value may not be recoverable.

Website Development Costs

Website development costs related to data consulting services, site configuration, and conceptual design are capitalized. Costs related to planning the project are expensed as incurred. Capitalized costs are amortized over a three-year expected life using the straight-line method.

Allocation of Expenses

Expenses that can be identified with a specific program or supporting service are charged directly to the program or supporting service. Expenses which apply to more than one functional category have been allocated based on estimates made by management.

IAN SOMERHALDER FOUNDATION
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2014 AND 2013

NOTE 2 – Summary of Significant Accounting Policies (Continued)

Income Tax Status

The Foundation has received tax-exempt status from the Internal Revenue Service under Section 501(c)(3) of the Internal Revenue Code.

The Foundation recognizes the financial statement benefit of tax positions, such as its position of being tax-exempt, only after determining that the relevant tax authority would more likely than not sustain the position following an audit. The Foundation is subject to potential income tax audits on open tax years by any taxing jurisdiction in which it operates. The statute of limitations for federal and state purposes is generally three and four years, respectively.

Subsequent Events

The Foundation's management has evaluated subsequent events and transactions for potential recognition or disclosure through April 28, 2015, the date the financial statements were available to be issued.

NOTE 3 – Land

During the year ended December 31, 2014, the Foundation purchased approximately 100 acres of undeveloped land in Louisiana. Approximately 70 acres is preserved by zoning laws in Louisiana. The land will be utilized as a nature preserve, and educational and other programs will be developed by the Foundation.

NOTE 4 – Website Development Costs

Website development costs consist of costs incurred for an upgrade of the Foundation's website. As of December 31, 2014, development costs totaling \$25,000 have been capitalized relating to this effort. Depreciation will commence upon completion of the website development, which is expected to occur during 2015.

IAN SOMERHALDER FOUNDATION

**NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2014 AND 2013**

NOTE 5 – Note Payable

The note payable consists of the following at December 31, 2014:

Note payable to a financial institution, guaranteed by a Board member, monthly interest payments of \$4,400 from January 2015 to December 2015, payable in monthly installments of \$8,206 including interest at 5.5%, beginning in January 2016 through December 2019 \$ 960,000

The following is a schedule of future principal maturities:

<u>Year Ending December 31,</u>	
2015	\$ -
2016	48,845
2017	49,488
2018	52,279
2019	55,228
Thereafter	<u>754,160</u>
	<u>\$ 960,000</u>

NOTE 6 – Supplemental Disclosure of Cash Flow Information

Noncash Investing and Financing Activities

During the year ended December 31, 2014, the Foundation acquired land under a note payable totaling \$960,000.
